Damietta, Dumyat, Egypt

Summary

I am a skilled programmer with expertise in HTML, CSS, PHP, Laravel, XAMPP, MySQL, and Python data analysis. I also have knowledge of UI/UX design, AI, and ML. I am in the DECI initiative, powered by udacity. I have a strong background in scientific research, having placed third in the SOFT category at the BASEF competition in 2023. Finalist 3 times in BASEF . I am also a certificate holder from the Horus University Innovation Camp.
